Dear Ms. Rachel Sater:

I am certainly appalled by the defendant's claim and false interpretation of my letter to Mr. Harry Shulman dated September 24, 2007 that I am unwilling to participate in any way with regards to the litigation Doctor Coyness Ennix Jr. has against the hospital.

I am willing to help and my peer review information can be used, provided, strict confidentiality is adhered to and specifically I never want my name used in the public domain regarding this case, or in any issue related to this litigation.

Please let me know if you have any question.

Sincerely,
